This is a legal agreement ("Agreement") between Licensee ("you") (as defined below) and Can Stock Photo Inc. ("Licensor"). By accessing or using the Content (as defined below), Licensee agrees to be bound by the terms and conditions of this Agreement.

Section 1: Definitions

"Content" means any Licensor single image, photograph, illustration, animation, clipart, footage clip, or any other audio or visual content, whether obtained via download from Licensor's website or any Authorized Distributor's (as defined below) website, or delivered via any storage media, and shall include all metadata including keywords, descriptions, and captions associated therewith.

The "Designated Individual" means the one person to which use of the Content is assigned, whether as an individual operating under this Agreement on their own behalf or on behalf of their employer or client; and, in the case of a subscription, the one person to which use of the subscription is assigned, whether as an individual operating under this Agreement on their own behalf or on behalf of their employer or client. If Licensee is not an individual, all access and use of the Content by the Designated Individual shall be deemed an access and use by the Licensee.

"Licensee" means: (i) you, if you are an individual entering into this Agreement on your own behalf, (ii) your employer, if you are entering into this Agreement on behalf of your employer, or (iii) your client, if you are an agent entering into this Agreement on behalf of your client. If you are acting on behalf of your employer or client, you: (i) represent and warrant that you have the full legal right and authority to enter into this Agreement and bind such employer or client, (ii) will use the Content only for the interest of such employer or client, and (iii) agree to be bound by the terms and conditions of this Agreement.

"Authorized Distributor" means any company that Licensor has authorized to distribute Licensor's Content.

"Enhanced License" means the agreement offered by Licensor in which one or more of the restrictions of this Agreement have been modified for Licensee's proposed use of the Content.

"Editorial Usage" means the use of Content relating to events that are newsworthy or of general interest and expressly excludes commercial usage and/or any advertorial usage (i.e. usage or supplements featuring product and/or brand names, or usage in which you receive a fee from a advertiser or sponsor);

"Journalistic Usage" refers to the print and digital usage of Content in articles and/or supporting media within a newspaper, blog, or other periodical presenting newsworthy events, or the opinion of the publishers or editors.

Section 2: Grant of Rights

Subject to Licensee's payment of the license fee for the Content and Licensee's compliance with the terms of this Agreement, Licensor grants Licensee a non-transferable, non-exclusive, non-sublicensable right to use and reproduce the Content, only for the Permitted Uses ("Permitted Uses") described below. In the case of a subscription, this right is granted for the term of Licensee's subscription (the "Term"). No ownership or copyright in any Content shall transfer to Licensee by the grant of the license contained in this Agreement. All rights not specifically granted by this Agreement are retained by Licensor and the copyright holder.

Section 3: Number of Users

This is a single-user license to be used only by the Designated Individual; however, the Designated Individual may transfer files that contain the Content, provided the transfer does not allow others to extract or access the Content as a stand-alone file. The Designated Individual may only use the Content on one (1) computer at any given time. Before accessing the Content in more than one (1) location or permitting additional access to another individual, Licensee must contact Licensor to

upgrade its license. In the case of a subscription, the Designated Individual may only use the subscription on one (1) computer at any given time, and may not share personal login information with any other individual. Before accessing the subscription in more than one (1) location or permitting additional access to another individual, Licensee must contact Licensor to upgrade its license. Licensor reserves the right to monitor Licensee's account and implement any measure to prevent Licensee from sharing personal login information.

Licensee shall be responsible for any damages resulting from any such copyright infringement, including any claims by a third party.

1. Print media (provided that such use is not intended to allow the re-distribution or re-use of the Content), including advertising and promotional materials, editorial publications, books, magazines, newspapers, and newsletters, provided the aggregate reproduction of any Content is five hundred thousand (500,000) or less;

ALL CLAIMS MUST BE BROUGHT WITHIN TWELVE (12) MONTHS OF THE DATE THAT LICENSEE DISCOVERED THE CLAIM, OR SHALL BE WAIVED.
4. THE REPRESENTATIONS AND WARRANTIES MADE BY LICENSOR IN THIS AGREEMENT APPLY ONLY TO THE CONTENT AS DELIVERED BY LICENSOR AND WILL BE INVALID IF THE CONTENT IS USED BY LICENSEE IN ANY MANNER NOT SPECIFICALLY AUTHORIZED IN THIS AGREEMENT OR IF LICENSEE IS OTHERWISE IN BREACH OF THIS AGREEMENT.
5. Licensee represents and warrants that it has the full legal right and authority to enter into this Agreement and that it will not use the Content in any way that it not permitted by this Agreement. Licensee and the Designated Individual will be jointly and severally liable for any failure of Licensee or the Designated Individual to abide by any term or condition of this Agreement.

To the extent that it would otherwise apply, the United Nations Convention on Contracts for the International Sale of Goods does not govern this Agreement. If Licensor is obligated to go to court to enforce any of its rights, Licensee agrees to reimburse Licensor for its legal fees and disbursements if Licensor is successful. The parties agree that this Agreement has been and shall be written in the English language.

Assignment. Licensor may assign or transfer this Agreement. Licensee may not assign or transfer to anyone else the rights granted to Licensee in this Agreement without the prior written consent of Licensor.

Severability. If one or more of the provisions contained in the Agreement is found to be invalid, illegal, or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions shall not be affected. Such provisions shall be reformed only to the extent to make it enforceable.

Waiver. No action of Licensor, other than express written waiver, may be construed as a waiver of any provision of this Agreement. A delay on the part of Licensor in the exercise of its rights or remedies will not operate as a waiver of such rights or remedies. A waiver of a right or remedy on any one occasion will not be construed as a bar to or waiver of those rights or remedies on any other occasion, and it will not be construed as a waiver of any other right or provision.

Taxes. Licensee shall be responsible for any and all sales taxes, use taxes, value added taxes and duties imposed by any jurisdiction as a result of Licensee's use of the Content or as a result of the license granted to Licensee.

Entire Agreement. This Agreement contains all the terms of the agreement between Licensor and Licensee concerning the use of the Content and no term or conditions may be added or deleted unless made in writing and signed by Licensor. Licensor shall have the right to modify the terms of this Agreement at any time, and such modifications will be deemed effective when posted on Licensor's website. Licensee agrees to be bound by such modifications; however, if such modifications are not acceptable to Licensee, Licensee may terminate this Agreement in accordance with Section [9](#). In the event of any inconsistency between the terms contained herein and the terms contained on any purchase order or other writing sent by Licensee, the terms of this Agreement shall govern.

Limit of Liability. Can Stock Photo's total maximum aggregate obligation and liability to any one Licensee for all claims shall be limited to Ten Thousand United States Dollars - US\$10,000.00 (the "Limits of Liability").

In addition to the terms and conditions contained in this Agreement, the following terms shall apply if Licensee purchases the applicable Enhanced License and/or Multi-Seat License:

The Agreement shall be deemed amended accordingly and all other terms and conditions of the Agreement remain in full force and effect, including all Restrictions on Use.

2. Physical and Electronic Items for Resale (additional fee applies)

Notwithstanding the restriction contained in Section 5 (3) prohibiting the use or display of the Content in any item intended for resale, license, or other distribution, and the restriction

- ii. produce electronic items for resale, including electronic templates or applications (including "apps"), provided these products are not intended to allow the re-distribution or re-use of the Content ("Electronic Items for Resale"). Collectively, Physical Items for Resale and Electronic Items for Resale shall be referred to as "Items for Resale".

In addition to the indemnification clause set forth in Section [13](#), Licensee further agrees to defend, indemnify, and hold Licensor and its parent, subsidiaries, affiliates, and image providers and their respective officers, directors, and employees harmless from all claims, damages, liabilities, cost, and expenses (including reasonable attorneys' fees and costs), arising out of or in connection with the Items for Resale.

The right to produce Items for Resale in no way grants to Licensee or any other party, including any recipient of the Items for Resale, any right to the intellectual property or other rights to the Content. Any production of Items for Resale in excess of the allowed run size is prohibited and requires an additional license for the Content.

The Agreement shall be deemed amended accordingly and all other terms and conditions of the Agreement remain in full force and effect, including all Restrictions on Use.

3. Multi-Seat License (additional fee applies)

Notwithstanding the restriction contained in Section [3](#) limiting the number of users to a single user, if Licensee is an organization, this license may be extended to an unlimited number of users within such organization.
